Congratulations to the newly elevated IEEE Oregon Senior Members Eric Hall, Ivan Simões Gaspar, and Vikram Suresh.

Page is live at Section Website
- Thank you Diwakar and Daniel Engel

To be eligible for application or nomination, candidates must:
- Be engineers, scientists, educators, technical executives, or originators in IEEE-designated fields
- Have experience reflecting professional maturity
- Have been in professional practice for at least ten years (with some credit for certain degrees)
- Show significant performance over a period of at least five of their years in professional practice

Become a Senior Member

**Membership Requirements**

Oregon section will help with the application process as well as getting references.
For information on becoming a senior member or to start an application, please contact:

Diwakar Agarwal: diwakar@ieee.org
Paulo Vasconcelos: paulo.vasconcelos@ieee.org

To start an application:
1. Update your work and education on IEEE site. Please ensure to fill out the start date, end date, city, university, and degree.

   1. Go to http://www.ieee.org
   2. Sign in at the top of the page
   3. Click on your name at the top -> Select “My Account”
   4. Select “Professional and Education Information” on the left under “Manage your profile”
   5. Update the information

2. Contact Diwakar@ieee.org to start the application. Please provide:

   1. CV - Please provide (as applicable) education, work experience, publications, patents, involvement with IEEE
   2. Provide text or word document highlighting of significant performance in any 5 years. Specify the time period, performance in that period and its impact. Mention publications and patents. It is ok if you do not have publications or patents.

3. Oregon section will initiate your application and get references. You may also seek references from IEEE Senior members who are familiar with your work.
Open Positions at ExComm

- **Membership Development Coordinator** – Thank you so much Diwakar!
  - Key role that ensuring the future growth of IEEE and its members.
  - Coordinates, promotes, and monitors appropriate and effective membership development programs at the Section level.

- **Student Activities Committee (SAC) Chair** – Thank you so much Matt!
  - Liaison between Section and students from the (6) Oregon Student Branches.
  - 1st preference to graduate students who want to become more active in the IEEE Section statewide.

- **Section Student Representative (SSR)** – Thank you so much Stephen!
  - Represents all other students as a voting member of the Section ExComm.
  - Part of SAC, it advises the Section on initiatives and events that students want to see and do.
Upcoming Conferences – Portland

https://conferences.ieee.org/conferences_events/conferences/search?q=portland,%20or

- Reach out to organizers to welcome them and offer help with advertisement

16 - 17 November 2020 | Portland, Oregon, USA

*Sponsors:* IEEE Product Safety Engineering Society

*Field of Interest:* General Topics for Engineers

**2020 IEEE PES Transactive Energy Systems Conference (TESC)**
8 - 10 December 2020 | Portland, Oregon, USA

*Sponsors:* Gridwise Architecture Council (GWAC); IEEE Power & Energy Society; IEEE Smart Cities Initiative; IEEE Smart Grid

*Field of Interest:* Components, Circuits, Devices and Systems; Computing and Processing; Power, Energy and Industry Applications
